EC declaration of conformity

Document number: QM-0-420-A

Manufacturer: igus® GmbH
Spicher Str. 1a
51147 Köln

Name of product: igus® energy supply chains

Description of product: Energy supply chains (non-electrical components), used for dynamic guidance of energy conductors such as lines and hoses with defined bending radii and travel parameters.

Conformity rating was performed on the basis of **ATEX-Directive 94/9/EC**.

igus® energy supply chains made of igumid G have the following classification:

 **II 3 GD**

Investigations of conductivity were carried out and verified by the following institute:

Physikalisch-Technische Bundesanstalt Braunschweig und Berlin (PTB)
Bundesallee 100
38116 Braunschweig

The declaration of conformity only refers to the conception and manufacture of the devices described above according to ATEX-Directive 94/9/EC in compliance with the harmonized standard DIN EN 13463 - 1 (2002).

We hereby declare that igus energy supply chains made of igumid G fulfil the requirements of the guideline specified above.

igus® Cologne,

Date:

27.05.2003
